2010 Distinguished Service Awards

January 2010

The Sarah A. Reed Retirement Center is proud to present the Fourth Annual Celebrate Healthcare Professionals Distinguished Service Awards.

Through this program, The Center will be honoring individual workers who excel in our area's healthcare environment. These areas of recognition include medical provider, nurse/physician assistant, assistant, patient specialist, support staff and community service. Every individual in the community is eligible and encouraged to nominate their favorite healthcare worker by completing a nomination form.

In order for this to be successful again this year we need your help. Please take a moment to review the nomination form to nominate a deserving candidate.

Additional forms are available at The Sarah A. Reed Retirement Center at 227 West 22nd Street, through its website at www.sarahareed.org/special_events.htm, or by calling Doug White at 814-878-2600. All nominations are due by February 19, 2010.

A selection committee comprised of community members will determine the top three finalists in each category. Scoring will determine the overall winners, who will be publicly announced during the special reception/dinner on May 19, 2010 at the Ambassador Banquet and Conference Center.

Proceeds from the event will support residents of The Sarah A. Reed Retirement Center who do not have the funds to pay for their care.

Sincerely,

Douglas K. White
Director of Marketing and Development
