February 9, 2023

Dear Friends and Colleagues,

On behalf of the Board of Directors, I announce the retirement of our Chief Executive Officer, Gale Magyar, effective May 2023. Gale has served Sarah Reed for her entire career of 45 years during which time she has provided outstanding leadership, compassion, and stewardship. The Board of Directors and the management team thank Gale for her inspiration, determination, and guidance.

Gale began her work at Sarah Reed as a Social Work Intern and was subsequently hired as a Social Worker in January 1978. During the next 10 years, Gale earned her Nursing Home Administrator license, having served as Assistant Administrator for months under the mentorship of the Administrator. She also served as the Personal Care Home Administrator for several years and became the Administrator in 1990. Her title changed to Executive Director with expansion of the Administrator's role and in 2018 to Chief Executive Officer.

Under Gale's leadership, a number of initiatives and program changes occurred based on changes in regulation, community needs and industry trends. In addition, a number of expansion and renovation projects occurred as Sarah Reed experienced continued growth. Zurn Pavilion was renovated and converted to a secured memory support unit in the early 2000's. The Reed House East construction project was completed in 1990 and a massive renovation completed in 2018. Reed Manor was renovated, and a portion was reconstructed in 1994. A \$15 million dollar building project known as Reed House West was completed in 2018.

Sarah Reed Senior Living has been blessed with Gale's leadership. Our Board is truly excited for her as she enters into a new chapter in her life.

Please be assured that our Board of Directors will search diligently to find the best qualified candidate to succeed Gale as our next CEO. We appreciate your encouragement, support, and trust as we begin to search for a new leader.

Please join me in thanking Gale for her leadership at Sarah Reed. Also, please take the time to congratulate her on her accomplishments and upcoming retirement. She has made many friends with staff, residents/families, board members and business associates during her 45 years of service and I know she will appreciate the opportunity to have each of you celebrate this new season ahead of her.

Sincerely,

Joel Snavelly, Esq.
